EXPERIENCE

Zenith Prep Academy – Newark, CA

Fullstack Development Instructor

February 2022 – Present

- Educate students in Front-End Development (HTML/CSS/Javascript) and Back-End Development (PHP/SQL) within a 15 class time frame.
- Direct students in building a social-media based platform (utilizing SQL databases) for the final project.
- Provide light college counseling amongst 10+ students who have completed the curriculum.
- Record and edit 60+ hours of lecture for students who were unable to attend the class session.

CODING MINDS ACADEMY – Irvine, CA

Coding Instructor

June 2021 – February 2022

- Cultivated K-12 Students to become future Software Developers, Web Developers, and Game Developers.
- Instructed classes in a 1-on-1 or 1-on-2 environment with Object Oriented Programming (OOP) Languages such as Python, C#, Java, Javascript, and LUA.
- Lead over 20+ classes designed to nurture and educate students with a focus on coding fundamentals, identifying errors, and scalable program design.
- Organized class structure for 16 week courses and willingly substituted for classes on short notice for coworker emergencies.
- Developed and optimized teaching curriculum for the HTML/CSS, Unity 1, Unity 2 and C#, and Java courses.
- Guided students in the last 4 weeks of class to conceptualize and develop their own personal projects as a final project.

UNIQLO – Ontario, CA

Sales Associate

November 2018 – June 2020

- Resolved issues that customers had while shopping and drove sales 12% higher during the 2018 Winter season and 8% during the 2019 Winter Season.
- Achieved a Customer Satisfaction Approval rating of 28% by assisting customers and then being referred personally at the register.
- Established many connections amongst a 50+ employee roster by actively listening to new hire concerns, training new personnel, and assisting fellow employees.
- Oversaw store inventory and sales statistics such as making \$100,000 dollars profit from our store alone during Winter of 2018.

EDUCATION

CALIFORNIA STATE UNIVERSITY SAN BERNARDINO – San Bernardino, CA

Bachelor of Arts, Computer Systems

- Graduated within 4 years, learned languages such as C#, C++, Python, and HTML/CSS.
- Excelled in classes such as Programming Languages, Computer Graphics, Web Design, Server Programming, Data Structures, and Software Engineering.
